Township Board Honors "First Step"

by **LARRY O'KELLEY**
Freelance Writer

At the October 14th board meeting the board passed a resolution honoring First Step for 20 years of service in working with domestic or sexual violence victims. First Step works with local prosecutors and police officers as an advocate for the victim and aids the victim through the difficult period immediately following the traumatic event.

Melissa Warner was introduced to the board as the new First Step Advocate currently located at the 34th District Court in Romulus. Ms. Warner

advised the board that the grant that makes her program possible had been extended another year and she looked forward to her new duties and her new location.

First Step will be celebrating its 20 years in business with a party to be held on October 22nd at the Cherry Hill Presbyterian Church located at Cherry Hill and Telegraph Road in Dearborn. The event is to be held from 5:30 to 8:30 p.m.

Ms. Warner informed the public of two telephone numbers that can be used to secure additional information or seek help, 734-942-6879 or a 24-hour toll-free number 888-453-5900.

In other board action, the board seemed prepared to act on the creation of a Violation Bureau for the township in concert with the new agreement signed by all of the participating communities in the 34th District. However, Clerk Bowers advised the board that she had a recent meeting with Judge Green and additional issues were brought up. While the nature of the issues were not discussed, the board agreed to postpone the adoption of the resolution necessary to create the new bureau.

In other business, the board passed a resolution

Rockin' and Rollin'

(L-R) Matt Siech, DeWalt Corp., Marian Mans, Dana Mills, 104.3, Joe Prater, St. Pierre, Mans Lumber.

Everyone and everything was a Rockin' and a rollin' at Mans Lumber Garage Sale on Saturday, October 10, 1998.

WOMC (104.3) morning D.J. Dana Mills, with helpers Kim Sellers and Adriana Krystoff from the promotional department were broadcasting live from the spot. Also, they were doing give-aways, sponsored by WOMC.

Our very own Joe Prater was performing throughout the day. He was rendering his own special brand of Country/Rock. Joe's music and Joe himself are very special to this community.

Saturday at Mans Lumber was a

Joe Prater

special day for Huron Township senior citizens. John Brandes, former Township Supervisor was the honored guest. Mr. Brandes is 100 years old. Profits from the food, raffle and a percentage of the sales were raised and donated by and to the seniors. The raffle ticket sellers were Edna Kursten, Ken Wendling, Helen Mate, Retha McKellar, Alice McGrew, Marguerite Bush and Agnes Flezar.

Jim St. Pierre, manager of New

Boston Mans and Marian Mans, matriarch of the Mans family, were the host and hostess for the day's events. Mrs. Mans wanted everyone to know that she was the mother of Dick and Mike.

The garage sale looked to be a great success if judged by the attendance. It was a busy day for the employees. There was a steady flow of customers browsing and shopping. Everyone seemed to be having a good day.

Letter to the Editor

They Paved Paradise And Put Up A Parking Lot

As the song with that title on in this Township? Why says!! What on earth is going would the planning commis-

sion allow the railroad automobile Transport Company on Sibley Road, permission to expose our residents and future residents to the giant parking lot from Hades? Now when we enter Huron Township we will be greeted not by trees and woodland creatures, but by a vast parking lot full of lease cars that have been returned. And what of the Cement Company that used to be hidden? I have worked at

one of these companies and I can tell you that the dust problem alone will drive the residents that live across the street from them out of their minds. The beautiful Township of Huron is under attack from developers that do not give a hoot about what happens to our country atmosphere, or whether or not we want to see the mess they leave us with. I can see moving forward, but I can not see it at the expense of

our woodland! Most folks don't know that the only reason for ripping out trees is convenience, and not for any other reason. I for one would like to see an ordinance passed that would require a developer to keep 50-percent of the trees in place. *Not* replace them with saplings. It's time we let our Township Board know how we feel.

"Don't it always seem to go that ya don't know what ya got till it's gone!" Think about it.

Durrell Williams was born in Wicksburg, Alabama, July 11, 1930, one of seven children.

In October of 1953, he came to Waltz, Michigan, and began working in the construction

business. The Waltz Garage began doing business in 1956 and in 1961 Mr. Williams was granted a dealership by International Harvester and to this day remains a parts distributor, service facility and provides major towing for the area.

January 28, 1956, Durrell married Noreen, which totally

placed him in the history of Waltz. They had two daughters, Dawnette who is the Huron Township Clerk and Lori, a homemaker. Durrell and his wife have four grandchildren, one boy and three girls. His grandson Joe has become part of his business.

Mr. Williams served on the Huron Township Fire Department for 12 years, the Police Department for 12 years, serving as the Police Chief for ten years. During his appointment there were seven full-time officers. He also served as a Reserve Michigan State Police Officer and a Gold Star member of the Sheriff's Department.

Other noted community activities for Mr. Williams is that he is a \$1000 Club Member for School Districts Athletic Program and was the 1998 Grand Marshall of the Huron Applefest Parade.

When this reporter asked Mr. Williams if he wanted to include anything in this article he had several responses. First,

he stated that he loved this township and the people in it and that this township had been very good to him. Second, he made his home here, in the beginning, because it was his wife's home. He also said he met his wife through her sister and his future mother-in-law said to her she had to get that guy. Third, that Police Chief Jim Caygill was an outstanding man and a good police officer and that he (Mr. Williams) likes all of the guys and gals on the force.

Sho Nuff

by LARRY O'KELLEY

The fall is my favorite time of the year in Huron Township. We have the colors of the trees, harvest of the crops and the community preparing for the winter ahead. We have high school football and a nip in the air that puts an extra zip in our steps. It is also a time of remembrance and recently I have been more and more reminded of a time when some citizens of our township had their own "Boston Tea Party" at the New Boston Bridge.

The other day I drove over

the bridge and for the umpteenth time noticed the rust and corrosion that mars this bridge. And for the umpteenth time, anger changed to smiles as I recalled a time when a group of citizens said "enough is enough" and took matters into their own hands. Then as it is today, Wayne County was aware of the condition of the bridge but chose to ignore it. After several attempts to get the county to paint the bridge a group of citizens decided to ad the fall col-

ors of Huron Township.

To this day, nobody is able to recall any individual that actually took part in the "fall coloring." Nobody can recall who organized it or bought the paint and the brushes. Nobody recalls who directed the traffic and nobody recalls who waved to the passing local officials, state police cars and local police cars. Nobody recalls but for several weeks after you could still spy red paint on the shoes of some citizens and you would just smile and go about your business.

What is known is that several citizens of all ages, marched to the bridge, unsealed large cans of red paint and commenced to paint the bridge Candy Apple Red. It was a few weeks before the Applefest and it occurred in the early 1980's. Some speculated that because it happened so close to Applefest and the color chosen was red that the Applefest Committee was involved, but that wasn't so. There may have been some individuals that worked on the committee that was involved but that is just a rumor and mere speculation.

It was also mere speculation that the group included a school board member, a member of the township board, employees of a bank and other prominent business people in the community. All mere speculation!

What is also known is that the citizens had a grand time visiting, drinking coffee and other refreshments. And they did a pretty good job painting the bridge and it is thought that Wayne County was shamed into moving up its own schedule for painting the bridge.

All we know, regarding the county's intentions, was that after a respectable period had elapsed (so the county could say they weren't pressured by the citizen's activities) the county did indeed paint the bridge a "sky blue" and that color remains today mixed with rust and corrosion.

So every time I drive by that ugly bridge I am reminded of a time when a few brave Huron Township citizens stood up and said, "I think the bridge could use a little touch up." You know folks, that spirit does live within us - if we just look for it.

tion in support of House Bill 5654. This bill sponsored by State Representative George Mans would give more local control or "oversight" to the local communities when it deals with school buildings. This issue became a concern to our community when Summit Academy, a new charter school, began building on Sibley Road in the township.

In a related matter the board extended the time to review the applications for the long-

awaited appointment of the new building inspector. The supervisor advised that he had received additional applications recently and in order to "widen the scope" of applicants he suggested the matter be postponed until the next board meeting. The board agreed.

The board also agreed to hold a budget hearing on October 28th at 7 p.m. to discuss the 1999 budget. The meeting is to be held prior to the regular meeting and will be held at the Krzyske Center in Waltz. The board also set the Halloween Trick or Treat hours from 5-8 p.m.

AL FRESCO

Georgette Heron-Willoughby

Everyone loves cabbage rolls, especially if someone else is making them. You can enjoy them more often now if you make them my quick easy way.

I always hated the process of boiling the cabbage, trimming the vein not to mention trying to be careful not to split the leaves and then trying to keep all of the stuffing in while you roll them.

This recipe is great for a quick hearty meal for a family or for a large group of people.

For a special treat you can use brussel sprouts instead of

cabbage.

I hope you enjoyed my comfort food transitions. I really enjoyed sharing them with you.

Coming up next week will be the beginning of a series of soup recipes. As the weather gets colder we love to arm up with a nice big bowl of hot soup.

My soups are hearty and filling, so a couple slices of good bread will make a meal.

Don't forget that I like to hear from you so write or call The Huron River Weekly.

Unrolled Cabbage

1 Lb. Ground Beef	1½ Cups Rice
8 Cups Cabbage (cut into 2x2 squares)	2½ Cups Beef Broth
1 Cup Onion (cut same as cabbage)	1 15-Oz. Can Diced Tomatoes
1 Clove Garlic	1 Tbs. Salt
(chopped fine)	1 Tsp. Pepper

In a large skilled, brown ground beef. Start adding ingredients in order and toss lightly to mix. Bring to a boil. Stir and cover, reduce heat and simmer 30 minutes or until rice is soft. Stir once or twice during cooking.

These masked faces have been created for the last five days – each one painstakingly crafted to the satisfaction of its designer to be seen on Halloween night only from dusk 'till eleven p.m. By the next day they will disappear as quickly as they appeared.

The tradition of carving and lighting 500 pumpkins is in its 13th year at Niemann Brothers Greenhouse. With the help of various youth groups from St. Stephen's in New Boston, Huron High School's Outdoor Challenge and St. John's Youth Group in Waltz the pumpkin display has grown from 50 pumpkins to 500 pumpkins. As the number of pumpkins grew the handful of friends that had been helping carve them began

to feel overwhelmed but with the help of the local youths we have had a very successful 13 years. The whole affair starts about six days before Halloween with the gutting of all the pumpkins. When the carvers arrive their pumpkins are ready for their creativity. It usually takes two to three days to carve all 500 pumpkins but the job is not done with the carving!! Halloween day is spent setting out the pumpkins each with a glass and a candle. Just before the trick or treaters start to arrive the lighting crew shows up and heads out with their lighters. After about an hour – and many burnt thumbs – the pumpkins are lit. The job is still not done!! Keeping the pumpkins lit all night is an

ongoing project especially if the weather is wet or windy – which is usually how Halloween is!!

After trick or treating is done Waltz starts to fill up with kids of all ages. Those that carved pumpkins are in search of the ones they carved sure they'll be able to spot them immediately. (You'd be surprised how hard it is to find your own pumpkin among that many!!) Whether you get out and walk around or just look as you drive by in your car you'll find it a fun night. Be sure to look up as well as on the ground as pumpkins have been known to fly into the trees and on the tops of houses!!

The display is offered to the public free of charge as a way of saying thank you to all our loyal customers and to invite those new to our community to stop in and see us. Niemann Brothers Greenhouse is located at 28296 Waltz Rd., Waltz, Michigan between Will Carleton Road and Willow. We are 1/4 mile west of I-275 at Exit 8 for those of you closer to the expressway. For more information call 734-654-8828. Drive safely and watch out for all the ghosts and goblins. See you Halloween!!

Birth

Join us in welcoming Ryan James Wedemeier to the world! Ryan was born August 6, 1998 at 6:34 p.m., to Crystal (Riopelle) and Bob Wedemeier. Weighing eight pounds nine ounces, and was 22 inches long, he was born at Oakwood Hospital, Dearborn.

Proud grandparents are Pauline Smith and Russ

Wedemeier, and Loretta Christensen and Al Riopelle, Sr.

C.Y.B.O.R.G.S. Roll In The Dough

October's class was filled with a lot of flour, dough and sauce. Members were entertained and educated by the

experts at Best Pizzeria. Owner Dwayne Peters sent three of his finest pizza makers, Cory Huddleston, Brian Huddleston and Amy Burkhart instructed members in the fine art of pizza construction.

Members learned to toss the dough like pros and each made their own creation. Smiles of sauce were had by all.

The club welcomed two new members in October.

Kohlstrand

visor, Van Buren Trustees Donna Clark, Phil Hart and John Herman. Also present were Huron Township Clerk Dawnette Bowers and Trustee John McKinney. The judiciary was represented by Judge Tina Brooks Green, Judge Jim Kersten of the 33rd District Court and retired Judge Kurt Kersten. Judge Bill Runco of Dearborn called to wish Norm well and Judge Bill Szlinis was heard from, all the way from

Switzerland, where he is vacationing with his wife, Ann. Tom Lawton of the Wayne County Sheriff Department was there, representing Sheriff Bob Ficano.

The tone of the evening was pleasant, festive and upbeat and a number of old friends had a chance to visit, some coming from as far away as Roscommon County. The common thread binding them all was their support for Norm Kohlstrand, their unanimous choice for 34th District Court Judge on November 3rd.

4 REASONS WHY YOUR CARPET WILL SHINE

When You Use

Hildebrand Carpet & Upholstery Cleaning

1. **Thorough Cleaning** - Use the most thorough cleaning method there is. Some cleaning methods use chemicals that leave a residue on your carpet. That doesn't get the dirt out, it just covers it up. My method doesn't leave a residue and is very powerful. It cleans way down to the base so your carpet will look brand new again.
2. **Stays Clean Longer** - Since we clean all the way down to the base of your carpet, your carpet will stay looking clean longer.
3. **I use only certified technicians.** Each technician has been through extensive training on how to properly use our super equipment. If a technician isn't properly trained, your carpet won't get thoroughly cleaned.
4. **100% Money-Back Guarantee.** If you aren't thrilled with your carpet, I'll refund every cent. No questions asked!

Call 734-783-0470 today to get your free spotting kit with your appointment.
